AHJS Gifted/Talented Inquiry Sheet for 2019-20
6th to 7th and 7th to 8th

From John Sheppard, AHJS GT Coordinator

- **GT COURSES -** In order to qualify for the GT section of a PreAP course, a student must first meet the AHISD Board-approved objective criteria for standardized testing: (a) Iowa Achievement and/or (b) CogAT Ability.
  - If you would like your student to test for GT placement for 2019-20, AHJS is offering two testing opportunities: **Saturday, March 23, 2019** and **Saturday, April 6, 2019**. Your child would only need to attend __one__ of these sessions. Please fill out the information below if you are interested.
  - Students currently enrolled in a GT course will automatically remain in that course for 2019-20 if the required second semester average of a 70 is met; no testing is necessary in this case.
- **FURLOUGHS** – Students on FURLOUGH from a GT course do NOT need to test. At the end of this academic year, we will do one of the following:
  1. **Return** the student to the GT level course IF the required second semester average was met (90 for grade level courses and 70 for PreAP courses).
  2. **Exit** the student from the GT level IF the required second semester average was not met. The student would need to requalify next year for 2020-2021 GT placement.

I would like to have my student tested for GT placement in the following subject(s):

_____ English   _____ history   _____ math   _____ science

Student's LEGAL name   _____

Date of Birth _____   **Current** Grade Level   6   7   8

Parent Name(s) _____

Mailing address (including zip code) _____

Phone Number _____

Email address (please print) _____

Please circle the preferred date for testing: **March 23, 2019**   **April 6, 2019**

More specific information regarding the testing date will be emailed to you in early March.

Parent signature (required to signify that permission to test is granted)

- -

The deadline for requests is __Friday, February 22, 2019__ – No forms will be accepted after that date. Please submit this form to John Sheppard via the AHJS Guidance Office.
